WRAP- UP LIABILITY:

Our wrap-up facility is written by some of the most experienced project underwriters in Canada, harnessing best of class capacity to our broad in-house expertise driven appetite, with few restricted classes. We specialise in building construction– including residential and condo/strata, commercial, industrial and institutional. We have the ability to write civil and infrastructure projects, including but not limited to bridge and road construction. We can offer limits up to 25M on any given project on a primary and/or excess basis, with competitive terms and conditions including liberal extended reporting periods.
